

## Burlap and Bean Coffee Options

---

### **Heritage - City Roast**

Full Flavored, smooth medium roast. Bringing together unique characteristics from Central and South America.

### **Black and Tan - Full City Roast**

A popular Blend of dark and light roasted coffees. The dark component brings the full bodied boldness while the lighter introduces delicate unique flavors yielding a smooth yet complex cup.

### **Excalibur - French Roast**

A remarkably smooth blend featuring a succulent full-bodied richness and surprising crisp, sweet finish.

### **Espresso - Espresso Roast**

An assertive blend highlighted by a slight upfront stonefruit acidity and brown butter and caramel notes on the finish.

### **Ethiopia Yirgacheffe - American Roast**

soft lemon undertones followed by a sweet, floral finish, Super clean taste and smooth body.

### **\*Papua New Guinea- City Roast**

A very clean delicate, sophisticated cup character. A lighter body with a cocoa finish.

### **\*Honduras - City Roast**

Fragrant hints of woody spices compliment the rich, almost syrup-like mouthfeel. Medium-bodied, earthy coffee with highlights of light citrus and fresh herbs on the finish.

### **\*Timor Maubisse - Full City Roast**

Sweet woody notes balance the subtle citrus character in this refreshing medium bodied coffee.

### **Ethiopia Harrar - Full City Roast**

Experience the aromatic splendor of Harrar. It's jammy, wild and has blueberry undertones!

### **Sumatra Mandheling - Full City Roast**

Delightfully smooth with an earthy richness. Exotic flavor and low acidity with an intense syrupy aftertaste.

### **Costa Rica La Alianza - Full City Roast**

Seductively smooth chocolate notes highlight the sweet ripe berries and balanced tannins in this rich full-bodied coffee.

### **Peru La Florida - French Roast**

Spicy, floral aroma with gentle acidity. Sweet flavor, full body, and clean finish.

---

The unique SWISS WATER® Process uses pure water from British Columbia, Canada to gently remove the caffeine until the coffee beans are 99.9% caffeine-free, while maintaining the bean's distinctive origin and flavor characteristics.

### **Sleepy Hollow Decaf - City Roast**

No flavor is lost in this decaf Medium roast. Mild cocoa scent followed by light citrus notes.

### **Decaf Espresso - Espresso Roast**

Very clean roast with subtle Smokey flavor and sweet finish.

### **Half Caf - Full City Roast**

An equal blend of regular and decaf coffee. This is a bold yet smooth cup that finishes clean.
